PRESIDENT'S REPORT

2016 has again been a challenging year for the Association with a number of projects being undertaken. The management committee continues to work hard it is their commitment that ensures that the 2RAR Association remains such an effective organisation. I want to thank all of them for their outstanding contributions. I would like to welcome Simon Whitehead who has agreed to take on the appointment of the 2RAR Association ACT representative.

Sadly, our Patron Colonel John Church, DSO (Retd), passed away in February this year. Gordon and I travelled to Canberra to attend his funeral, which was also attended by the CO 2RAR and the RSM. We have quite a number of our members have also left us during the last 12 months and our thoughts are with their family and friends.

In May 2016, MAJGEN Mick Slater AO, DSC, CSC (Retd) was invited to fill the vacant position of Patron 2RAR Association, which he accepted. MAJGEN Slater is a previous CO 2RAR having commanded the Battalion during INTERFET in 1999.

The Association was represented at a number of North Queensland Regimental activities during the year. In November 2015, His Excellency the Governor General, the Honourable Sir Peter Cosgrove, AK, MC, presented 2RAR with their replacement Queens and Regimental Colours. The Secretary represented the Association at the parade held in Lavarack Barracks, Townsville. The Secretary and I attended the North Queensland Regimental dinner held in the Townsville RSL on 18 February 2016. On the 1-2 September 2016, the we were invited to attend the ceremony for the laying up of the 2RAR's third Stand of Colours at the All Saints Chapel at Lavarack Barracks as well as the Battalion's Exercising its Freedom of Entry to the City of Townsville, as part of that City's 150th birthday celebrations. Both were magnificent ceremonies and are a credit to all members of the Battalion. Saturday 3 September was highlighted with a Battalion ball being held on the 2RAR parade ground. During our attendance, we took the opportunity to hold informal talks with CO 2RAR and his staff.

The 2RAR Association was also represented at many major memorial services throughout 2016. ANZAC Day and Vietnam Veterans' Day saw many of our members attend services throughout Australia. A special commemorative service was held on 22 April 2016 for LCPL Peter McDuff, a 2RAR soldier killed in Vietnam in 1967. The service was held in Darlington Point near Griffith, NSW, and was attended by many of his 2RAR veteran mates as well as many of his family members which included two of Peter's brothers and his two sisters. The attendance of six of Peter's comrades from 5 Section, 11 Platoon D Company, who were with Peter when he was killed, was a most poignant tribute to their mate. Following the service, Peter's family provided a luncheon at the Darlington Point sports club.

The 2RAR display at the Vietnam Veterans' Association Australia (VVAA) museum on Phillip Island in Victoria is poorly presented. An Association sub-committee, formed to examine and recommend how best to upgrade this display to better represent the Battalion's two tours of Vietnam, has recommended that some form of interactive display be developed. The Association has agreed to fund this display. CO 2RAR has indicated his support for this project, which is likely to be completed early in 2017.

I attended the RAR Corporation AGM and the RAR Association National Council Meeting held at Keswick Barracks in Adelaide 1-3 October. Details of outcomes as a result of the council meeting will be advised separately.

The Association is gearing up for a major national reunion in Brisbane from 17-21 May 2017. All who served with 2RAR and 2/4RAR as well as those currently serving in the Battalion are invited to attend. The reunion allows for some initial sub-unit reunions on 17 May followed by a welcome function on 18 May at South Bank in Brisbane. On 19

May, a commemorative service will be held at the RAR National Memorial Walk, Enoggera Barracks, followed by an informal lunch. After lunch there will be a static military display of contemporary military vehicles and equipment. Saturday 20 May will see a formal dinner at the Brisbane Convention and Entertainment Centre at South Bank with music provided by the Australian Army Band Brisbane. The final day will see a wives/partners luncheon at the Pony Restaurant in Eagle Street while the members will head for the Breakfast Creek Hotel for final farewells. Full details are contained on the Association website.

The 2RAR website is now a major medium for our communication with our members. Have a look at our site at <http://www.2rar-association.net.au>, which contains details of the battalion history, the honour roll, and future activities as well as details of upcoming events. The Association has recently developed a Facebook Page with the aim of sharing Association information on a wider net.

The current membership currently sits at close to 600. All current 2RAR members are automatically granted full membership to the Association whilst serving with the Battalion. We encourage those leaving the Battalion to continue their membership as a means of maintaining a link with the 2RAR family. The Association would like to see some of the younger members join our ranks, as those currently serving, will be responsible for perpetuating the unit's history in the future.

Our Association representative, John "Jock" Cassidy, continues to work closely with 2RAR to seek ways in which the Association can help to support battalion activities. A Battalion fishing club for members and their families was formed by Jock in 2015 and a number of competitions have been run since with prizes donated by the Association. This activity has been very successful and provides an opportunity for those currently serving to connect with the ex-2RAR members. On 18 September 2016, Jock also arranged a family day in Train Park South Townsville for 2RAR and Association members' families with some support provided by the 2RAR Association. Some 80 people attended this activity. His ongoing commitment as the North Queensland Association representative has been outstanding and I commend him for his continued dedication.

Some years ago the Association instituted an annual prize of \$1,000 to be awarded to the 2RAR Champion Soldier and which is usually presented during the Battalion's birthday week activities. This continues to be an ongoing award.

As a means of attracting new members to the Association, Jock Cassidy is arranging a Townsville based 2RAR Association dinner planned for November this year that will also include some serving members from the Battalion. This will again provide an opportunity for ex-members to mix with serving members of the Battalion. The Association will provide some funding support for this activity.

2RAR has had an extremely busy year continuing to progress the Amphibious Ready Element Landing Force capabilities. The Battalion attended the RIMPAC exercise with the US forces in Hawaii in June this year. The Battalion was also involved in providing support to Fiji following the cyclone that devastated much of the country in February 2016. We, in the Association, take a great interest in the wellbeing of the Battalion and it is with huge pride that we see 2RAR achieving excellent results both in the competitive military skills and sporting arena as well as on the training battle field.

At the end of 2016, CO 2RAR LTCOL Michael Bassingthwaighte, DSM, will finish his tour after three years as Commanding Officer and the Association has continued to enjoy a very close relationship with the Battalion during his tenure. The Association would like to thank him for his support during his time with the Battalion and we wish him and his family well in their new location.

On behalf of the 2RAR Association, I would like to wish all members of the Association an enjoyable and safe festive season. I am sure that 2017 will again provide us with many challenges, which will no doubt test all aspects of resources.

2ND BATTALION THE ROYAL AUSTRALIAN REGIMENT ASSOCIATION INC

Statement by Members of the Committee

The Committee has determined that the Association is not a reporting entity.

The Committee has determined that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the accounts.

In the opinion of the Committee the financial statements:

1. Present fairly the financial position of The 2nd Battalion The Royal Australian Regiment Association Inc as at 30 September 2017 and the results of the association for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that The 2nd Battalion The Royal Australian Regiment Association Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President 

Treasurer 

Secretary 

Dated this 16th day of OCTOBER 2017

INDEPENDENT AUDITOR'S REPORT

To the Members of
2nd Battalion The Royal Australian Regiment Association Inc
For the Year ended 30 September 2017.

Scope

I have audited the attached financial statements, being a special purpose financial report of the 2nd Battalion The Royal Australian Regiment Association Queensland Division Inc for the year ended 30 September 2017 comprising 'Statements of Income & Expenditure', 'Balance Sheet and accompanying Notes'. The elected members of the Committee are responsible for the preparation and presentation of the financial report and the information contained therein, and have determined that the accounting policies used are appropriate to meet the requirements of the Associations Incorporation Act and the needs of the members.

I have conducted an independent audit of the special purpose financial report in order to express an opinion to the members of the Association on its preparation and presentation. No opinion is expressed as to whether the basis of accounting used is appropriate to the needs of the members.

The special purpose financial report has been prepared for distribution to the members of the Association for the purpose of fulfilling the Committee's accountability requirements. I disclaim any assumption of responsibility for any reliance on this report or on the financial statements to which it relates, to any person other than the members, or of any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. My procedures included examination of evidence supporting the amounts and other accounting estimates. These audit procedures have been undertaken to form an opinion as to whether in all material respects, the financial report is presented fairly in accordance with the accounting policies deemed necessary by the Committee.

The audit opinion expressed in this report has been formed on the above basis.

Qualification

As is common for associations of this type, it is not practicable to maintain an effective system of internal control over donations, subscriptions and other fund raising activities until their initial entry in the accounting records. Accordingly, my audit in relation to these activities was limited to amounts recorded.

Audit Opinion

In my opinion the special purpose financial report of 2nd Battalion the Royal Australian Regiment Association Queensland Division Inc presents fairly the assets and liabilities at 30 September 2017 and the income and expenditure of the Association for the year then ended in accordance with the requirements of the Associations Incorporation Act.
