

THE NOMINAL ROLL
OF THE
66TH AUSTRALIAN INFANTRY BATTALION

as at

16th October 1945

This Nominal Roll has been produced and printed with the Compliments of the 2nd Battalion The Royal Australian Regiment Association Inc as a Historical Record of a day in time of an Infantry Battalion formed in Morotai on 16th October 1945 and made up of volunteers from all units of the Australian 9th Division.

The Research has been carried out by Mr A J (Joe) Burgess, with help from Mr George Logan, at the Soldier Career Management Agency, Melbourne, between May and June 1995 from Routine Orders Part II held by the Agency. Printing has been helped by a small grant from the Minister for Veterans Affairs under the Australia Remembers Programme. Any errors or omissions are regretted.

Some of the men whose names appear in this Roll served in every theatre of war in which Australians were involved in World War II, and it is an honour to record their names in this publication. Most went on to serve in the Occupation Forces in Japan and many others continued their service through Korea, Malaya, Borneo and Vietnam.
